Legacy FLOORS

Ready for Anything.

Legacy StoneCast 5.0

Legacy StoneCast 5.0 is the hard surface flooring you've been waiting for. This waterproof flooring is ideal for kitchens, bath and laundry rooms – any room where water is a concern. Our click lock system stays strong in heat and cold. Lastly, you will be at peace knowing that the attached cushion will drown out sound and give extra comfort underfoot. Discover the beauty of Legacy StoneCast 5.0.
